How old do you need to be to participate?

You'll need to be at least 16 years old at the date of the challenge to participate. Anyone under 18 will require sign-off by a parent or guardian. Please refer to the attached T&Cs.

How many people can a corporate bike have?

A corporate bike can have a minimum of 1 person and a maximum of 6 people. It is up to you how you would like to allocate the 6 hours riding between your team.

Will there be an opportunity for branding/logo placement?

Yes, we will arrange for your bike to have your company logo on it, the company logo will also be displayed on loop on the digital screens.

A corporate bike will receive additional signage exposure to a general team registration to amplify your organisation's involvement in the challenge.

What do participants wear?

HBF will supply each participant with a challenge t-shirt which we encourage you to wear during the challenge. Participants can wear normal training shoes (runners), bike shorts or regular sport attire.
